

## Emotional Check-in

Emotional Check-In. Can you check in with a family member and discuss how you are feeling? You might feel worried, sad, happy, excited or tired. It is important to check in with your well-being before starting a new day of home learning.

## Poetry Time

Today, we would like you to start your day listening to and learning a poem. Can you learn your poem and recite it to someone at home? Can you hear rhyming words or repetition? This website below has many poems to choose from. You can choose your category. Remember to make sure you are exploring poems for your age group.

## Maths

As part of our Science week this week, we are exploring global warming. In school, we are finding ways in which we can help our planet. We are encouraging people at school to walk or cycle as much as they can, rather than using a car. Looking out of the window, can you complete a traffic survey to find out how many people are travelling by car, bus, bike or walking?

Type of Transport	Number Seen
	
	
	
	
	
	

Use your frequency table to answer these questions.

1. Which sort of transport was the most common?

2. Which sort of transport was the least common?

## Letter-join Home log-in

Dear Parents and Carers,

Our school is now part of the Letter-join handwriting scheme and our pupils can log in to the Letter-join website on iPads and tablets as well as desktop and laptop computers at home. There you will find the same, easy-to-use handwriting resources that we use at school.

### PC DESKTOP AND LAPTOP LOG-IN

Log in at [www.letterjoin.co.uk](http://www.letterjoin.co.uk) and use the Desktop log-in option with these details:

User name: **dw7552**

Password: **home**

#### PC Browsers:

Letter-join will work on the following browsers on PCs/Macs:

- Google Chrome
- Firefox
- Safari

Do not use Internet Explorer.

### IPAD AND TABLET LOG-IN

Go to [www.letterjoin.co.uk](http://www.letterjoin.co.uk) and use the Tablet log-in option with these details:

User name: **dw7552**

Swipe code  
(starting at top left):

#### Tablet/iPad Browsers:

Letter-join will run on the following tablets:

- iPads running iOS7 and above through the Safari browser.
- Windows 8 tablets (8 inch and bigger) using the built-in browser.
- Android tablets (8 inch and bigger) using Google Chrome, Firefox or Opera.

This useful handwriting website supports letter formation, fine motor control and shows children how to begin using pre-cursive and a cursive style of handwriting. You can practise these skills using the tabs to the left on the home page. The further you move down the tags, the more challenging the mark-making challenge. We recommend Year 1 starting at patterns.

You can even play games and build on your phonics skills using the tabs to the left.

### Choose a Classroom

Once logged-in, choose your child's classroom and you can use Letter-join's resources and fun activities to reinforce the handwriting we teach at school. You can trace over the letters and words and play the games on your tablet.

We are limited to the number of users who can log in to this account, so please do not share these log-in details.

Have a go at some of these free phonics and spelling games and watch the videos to practice your phonics sounds and blending and segmenting for reading. The games are more challenging as you work through the phases on the first link. Choose a sound that you need to work on and have fun!

If your child is ready to explore spelling patterns, see the link below where you can choose a video to build on your spelling, punctuation and grammar skills. If you are unsure if your child is learning in a Phonics or Spelling group in school, please contact your class teacher via the school office and we can let you know which links are most appropriate for your child's current level.
