

Remote learning – Bloxham

Monday 1st March 2021

Emotional Check-in

Emotional Check-In. Can you check in with a family member and discuss how you are feeling? You might feel worried, sad, happy, excited or tired. It is important to check in with your well-being before starting a new day of home learning.

ERIC

Do not forget to record in your reading diary this morning. Can you use your reading diary prompts on the back page to make sure you write a detailed response? Audio books are also a great way to listen to stories!

Maths - Warm Up

Here are your 15 words:

1. angle

3. idle
4. tunnel
5. travel
6. decide
7. describe
8. extreme
9. guide
10. surprise

For today we would like you to look over the words and ensure that you understand what they all mean.

Reading/English

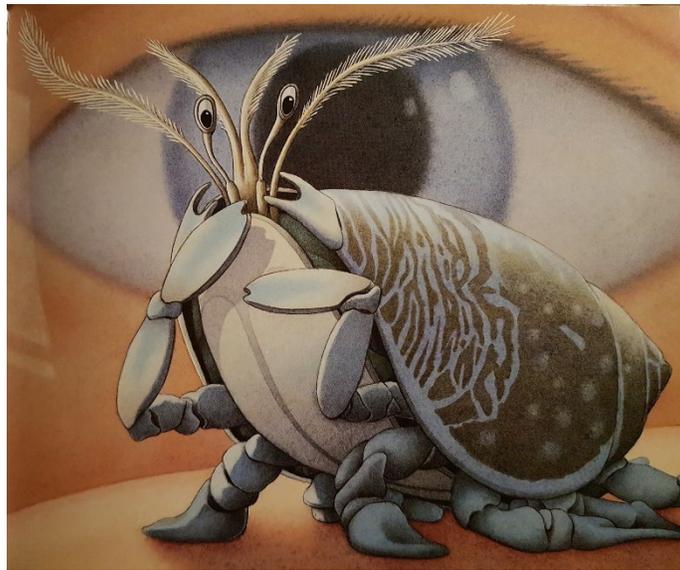

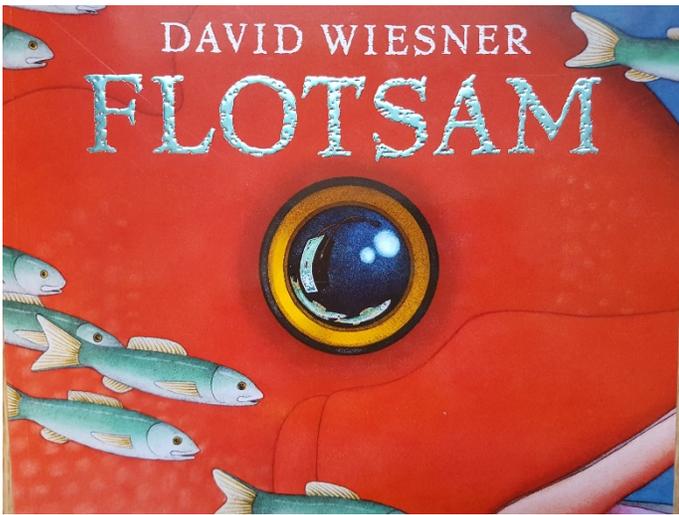

This week, Blended Reading and English are going to cross over a little bit at times as we are going to explore the beautiful book 'Flotsam.' This is a picture books with no words so lends itself well to emotive literacy.

In your live lesson, the book will be introduced to you as well as your task based on predicting – an important skill when reading books/texts.

Task:

On the front cover, and the following pictures, we would like for you to make some predictions about the things that you can see in them. If you are unable to print, number the pictures and write your predictions into your book.

Spanish

We would like you to log on Language Angels via this website- it is slightly different to the previous link for games: <https://www.languageangels.com/homeschool/>

This is for all classes at The Grange.

Instructions for accessing this with pictures have been sent to your parents on ParentHub and will also be posted in your group Teams area for you to see. It will include the school password and username.

We will be doing Unit 1 Puedo- lesson 5 today. You will be able to explore the presentations just as we do in school. Make sure you are learning all those movement verbs- Mrs Orford is looking forward to a giant game of 'Simon dice' (Simon says) to test if you know them when we get back to school!
