## English - Writing

**Live Lesson** at 10:50am in Bloxham group

Over the next three days we are going to learn how to use persuasive language and then use this to create a persuasive poster or leaflet about oral hygiene. You will persuade and explain to children why it is important to take good care of your teeth and to buy toothpaste.

In the lesson today, we will be exploring the tips of how to write good persuasive texts and learn about the devices below, before creating some of our own.

Device	Example	Your turn
Alliteration	Chewy chocs can ruin terrific teeth	
Facts	There are 4 types of teeth.	
Opinions	The most important thing to do every morning is brush your teeth.	
Repetition (and rhetorical questions)	Brush, brush, brush! Did you brush your teeth this morning?	
Emotive language	Your poor teeth could rot away.	
Statistics	Globally, between 60–90% of schoolchildren and nearly 100% adults have tooth decay.	
Three (rule of)	Brush, brush, brush your teeth! What shiny, white, bright teeth!
