

<p><u>Communication and Language. Literacy.</u> Your child will build a relationship with 'Fred the Frog' through our Read Write Inc sessions. Your child will take part in a weekly 'Show and Tell' session where he/she will be given the opportunity to talk in front of the class about a chosen object. We look forward to seeing lots of photos of friends, family and places they have been. Your child will learn to pick out 'rotten reds' from a text as well as learn about the structure of stories. Please read as much as you can with your child and encourage them to jump on the story telling wagon.</p>	<p>The Grange Primary School Project Web</p>		<p><u>Let's Go Wild.</u> Your child will be learning and exploring in the outdoor classroom every week. From Fred talking to den building...so much fun to be had. They will explore what it means to be a good friend and work in a team to create Foundation's very first 'Friendship Tree' which will be located in their play area. Please make sure your child has wellies and waterproofs in school for these adventures.</p>
<p><u>Expressive Art and Design.</u> Your child will draw a self-portrait and create a family portrait discussing how their family helps them. As well as that, your child will have great fun exploring colour, texture, shape, form and space in two and three dimension. During music lessons, our children will recognise and explore how sounds can be changed and sing Harvest songs. The whole school community will look forward to an Art/Drama week that will be coming up in the near future.</p>	<p>Do you want to be friends?</p> 		<p><u>Personal, Social and Emotional development.</u> Your child will learn 'The Grange Way' and about how we care and look after each other. This term is all about making new friends and getting to know their school community. Your child will buddy up with a Year 6 student. Your child's confidence will be nurtured to initiate ideas and speak in a familiar group. Children will respond to significant experiences-showing a range of feelings when appropriate. Your child will be encouraged to talk about their families and why they are special.</p>
<p><u>Physical Development.</u> At The Grange School, we are fortunate to have a specialist sports teacher who is able to teach P.E to your child every Wednesday morning. Mrs S-C works alongside the FS team to develop the key Prime areas of learning; Personal, social & emotional development, Communication & Language and their Physical development. Your child will do gymnastics on a Thursday.</p>	<p><u>Understanding the world.</u> Your child will look at themselves and think about what makes them unique. We will begin the term finding out about people who help us in school. This will progress through the term to thinking about who helps us in our wider community including foodbanks which your child will collect for in celebration of Harvest. Your child will use the interactive whiteboards to create art.</p>
